February 5, 2016

The WSO is temporarily suspending the mailing of the complimentary copy of The Forum magazine to all groups for a one-year trial period, beginning in March, 2016.

Miami Valley Al-Anon Information Service (Intergroup) believes that this monthly publication provides a wealth of resources for the groups we serve. Intergroup knows that the groups support our service projects (answering service, schedules, web site, etc.) through their own voluntary contributions as Intergroup supports those groups in return.

MVAIS is launching a project to provide a one-year subscription to the groups we serve, at no cost to the groups. Subscriptions will be in the Group's Name and mailed to the Group's Current Mailing Address (CMA).

What we need from the groups is a completed subscription form from the back of a Forum magazine, filled out and mailed to Intergroup:

MVAIS
PO Box 282
Dayton OH 45401-0282

If your group has already purchased a subscription, in the Group's Name and Group Number, Intergroup will reimburse that cost to the group. For that, we will need the envelope from the first issue the group receives, along with a copy of the canceled check (or money order, or money order receipt), mailed to the address above.

And remember, ODAT
